

## Primitive Reason - Hipócrita

Enviado por ana

Often reflect on what I know I am,  
I try so hard to be the least I can,  
Oh easy to admit, hard to change the way I am,  
So far from my ideals of a perfect man.

So far what I've seen has not made me well,  
So far where I've been has not made me well.  
So far what I've said, it was not said well,  
So well have I survived, well...

I've been so, yes I've been so sorry..  
And I am so, and I am so sorry..  
And I'll be and I'll be and I'll be so sorry.

King hypocrit in my own life,  
My biggest consolation's that you are far worse,  
You do not even admit, you do not accept the curse  
That it is to be a liar and a two-faced jerk,  
You do not speak for yourself, you do not speak your own words.

I've been so, yes I've been so sorry..  
And I am so, yes I am so, I'm sorry sorry sorry,  
And I'll be and I'll be and I'll be so sorry..King hypocrit in my own life.

E como podes te entregar?  
Sabendo que nem foste tu o incapacitado de pensar, de criar,  
Uma nova doutrina para o resto idealizar,  
Ou um conjunto de ideias curtas para os do género memorizar,  
Outro dogma, outra ideologia que é fraca para criar,  
Procriar outro conjunto de iguais para fazer como tu fazes,  
Como te ensinaram a pensar, e aceitar, sem tentar compreender,  
Sem ver que não é bem assim,  
Que tu não podes viver bem assim,  
Hipócrita,  
Hipócrita,  
Hipócrita,  
Hipócrita.
