

## Primitive Reason - Hey Mam

Enviado por ana

Oh I said Hey mam, hey mam, I'm walking behind you  
Oh I said Hey mam, hey mam, I'm walking behind you  
And I'm not-a, not-a, not-a gonna hurt you  
Oh no I'm not-a, not-a, not-a gonna hurt you  
Cuz I'm just trying to get to the same place as you are  
Oh I'm just trying to get to the same place as you are,  
Hey mam, no, no Hey mam, I say Hey mam, singin' Hey mam, now..

Cuz you see now, I'm the type of person I think you could trust  
I'm not gonna steal your wallet if it's hangin' out of your purse  
Inside of your purse, your purse, your purse,  
I know that this might, it mighta shock you, but I,  
I choose to dress this way, and I'm not a crook,  
I'm not-a, I'm not-a, I'm not-a not-a not-a,  
I'm not-a , I'm not-a, I'm not-a not a crook.

So sweet lady, why are you walking so fast away from me?  
Oh sweet lady, well I promise promise promise I won't harm  
Won't lay a finger on you.

Cuz you see now, I'm the type of person I think you could trust  
I'm not gonna steal your wallet if it's hangin' out of your purse  
Inside of your purse, your purse, your purse,  
I know that this might, it mighta shock you, but I,  
I choose to dress this way, and I'm not a crook,  
I'm not-a, I'm not-a, I'm not-a not-a not-a,  
I'm not-a , I'm not-a, I'm not-a not a crook.
